

EDUCATION

ArtCenter College of Design

2021.9 - Present

- BS in Product Design, Minor in Business, Pasadena, CA
- Expected Graduation in 2025.12
- Cumulative GPA: 3.9 / 4.0

EXPERIENCE

HARMAN International — Industrial Designer Intern

2024.9 - 2025.4

- Shenzhen, Guangdong, China
- Conducted design research to define design directions that align with JBL's brand identity.
- Created sketches, 3D models, and renderings to visually communicate concepts.
- Collaborated with cross-functional teams (GPLM, Packaging, CMF, Marketing, ME, UIUX, etc.) to ensure cohesive product development.
- Supported prototyping, the DFM process, and quality checks through supplier visits.
- Served as the primary presenter to deliver design proposals and updates to leadership.

ArtCenter Chinese Students Association — President

2024.5 - 2025.2

- ArtCenter College of Design, Pasadena, CA
- Raised awareness of Chinese culture through alumni networking events, contributing to student success in school life, and fostering community cohesion.

Samsung Sponsored Project — Product Designer

2024.5 - 2024.8

- ArtCenter College of Design, Pasadena, CA
- Developed a deep understanding of brands and collaboration strategies for Samsung to create successful design and brand experiences.

ArtCenter College of Design — Teaching Assistant

2024.1 - 2024.5

- ArtCenter College of Design, Pasadena, CA
- Mentored students throughout their design journey, facilitated in-class critique sessions, and provided assistance in building their portfolios.
